The Veterans Business Outreach Center of New England, in partnership with the USDA, invite veterans, service members, and military spouses to Boots to Business Reboot for Veteran Beginning Farmers and Ranchers. This full day workshop will aid those interested in exploring agriculture-based business ownership by leading participants through the key steps for evaluating business concepts and providing foundational knowledge required to develop a business plan. Participants are introduced to a broad spectrum of entrepreneurial business concepts and resources, from experts across the industry, to access start-up capital, technical assistance, and more.
