FSA provides programs and loans to help farmers provide food, fuel, and fiber to millions of people worldwide. The New York FSA staff work hard every day to ensure that New York farmers have the information they need to participate in federally funded agricultural programs. FSA-administered programs benefit all Americans by providing stability for our agricultural producers, thus helping ensure a safe, abundant, and affordable supply of food and fiber.

If you would need to request an accommodation, please contact Lynnette Wright at (315) 477-6309, or by e-mail at lynette.wright@usda.gov at least three days prior to the webinar to request accommodations (e.g., an interpreter, translator, etc.) or materials in an alternative format (e.g., Braille, large print, audiotape – captioning, etc.).
