

Stakeholder Toolkit

USDA Accepting Applications to Help Cover Costs for Organic Certification

To further amplify USDA Farm Service Agency's Organic Certification Cost Share Program application deadlines, we are sharing a social media toolkit and corresponding graphic images for use as your organization deems appropriate.

Meeting these application deadlines is critical for producers and state agencies. To learn more about organic certification cost share, please [visit the OCCSP webpage](#), view the notice of funds availability on the Federal Register, or contact an FSA county office located at the local [USDA Service Center](#).

We need your help to spread the word eligible farmers. To do that, we've included social media suggestions for Twitter, Facebook and Instagram.

If you have any questions, please contact us at fsaoutreach@usda.gov.

A vertical promotional graphic for the USDA. The background is a close-up photograph of green beans in a wooden basket. In the top left corner, the USDA logo is displayed. The main text, "GET UP TO 50% OF ORGANIC CERTIFICATION COSTS", is centered in large, bold, white letters with a green outline. Below this, a green horizontal bar contains the text "Apply by November 1, 2021" in white. At the bottom, a white circular icon with an upward-pointing arrow is positioned above a white rectangular button with the text "Learn More" in green.
